The Fashion Week in Paris (woman) was held from September 29 to October 7, 2015. The famous British Designer John Galliano chose the mythical location of Palais de Tokyo to show to the audience his new collection Woman Spring - Summer 2016. It was on Sunday October 4, 2015.

John Galliano is a British Fashion Designer who served as Head Designer of the French Haute Couture Houses Givenchy (1995-1996) and Christian Dior (1996-2011).

Galliano created some of the industry's most famous collections, including the Blanche Dubois in October 2008 (inspired by the 1951 film *A Streetcar Named Desire*), the Napoleon and Josephine in March 1992 (inspired by the love story of these famous historic figures) and the Princess Lucretia in October 1993 (inspired by the Russian princess).

Galliano was named British Designer of the Year in 1987, 1994 and 1997, and he was made a Chevalier in the French Legion of Honour in 2009, an award previously bestowed on fashion luminaries Yves Saint Laurent and Suzy Menkes.
